

I, Justin L. Ware, believe that the service provided by K-Love is in the public interest for several reasons. The first being they are to the community of Clarksburg a major source of encouragement. Having K-Love on our radio's is like having personal counseling to help uplift us and guide us through the many up's and down's of life. To take away K-Love would be like taking away that source. In a time where millions of people suffer from depression, because of the many stresses in the world today, K-Love is there to help the people of Clarksburg, WV cope with these problems and encourage us to continue on. For my sake and the sake of my fellow K-Love listeners who get so much help from K-Love, I ask you to please not take away our station.

Thank You,
Justin L. Ware
